

# PATROL EQUIPMENT INVENTORY

# BSA TROOP 66

The following is the equipment issued to each patrol. Any lost or damaged items must be replaced by the individual patrol members that caused such loss or damage. Items that are no longer fit for use due to general wear and tear, will be replaced as part of the Troop equipment budget. All Patrol members are responsible for replacement of consummable items marked with an asterik (\*\*)

The Asst Patrol Leader (or his designee) and the Quartermaster will be responsible for assuring that all equipment is checked off and examined for fitness for use before it is loaded for a camping trip and upon pack out at the campsite.
